

the easter experience

There are three ways you can participate in *The Easter Experience* with Bethel Church!

SUNDAY WORSHIP SERVICES

Starting Sunday, March 17, the six week *Easter Experience* teaching series will slow down this familiar story to help you understand in a new way Jesus' journey to the cross and its impact on your life today. Can't make it every Sunday? Listen online the next day at www.bethelkingston.com/sermons

40-DAY LENT DEVOTIONAL

Featuring a daily scripture and short teaching, *The Easter Experience* devotional is available in the Bethel foyer. Lent starts March 6, but you can start the devotional at any time. A \$2 donation is suggested for the devotional.

Separate from Sunday morning sermons, a six week *Easter Experience* Life Group study is available to *everyone* with a RightNow Media account! The study features engaging cinematic videos and discussion material created by Bethel pastors. Each week you will explore, discuss, and pray through heart-hitting lessons including: my life has a purpose, my life can change, my pain is understood, my life has a plan, I have the promise of Eternal Life, I have a hope that never dies!
