**IN-PERSON SERVICES, SUNDAYS @ 10AM** | It's been wonderful to be open for in-person services Sundays at 10am! With live worship and teaching and a chance to reconnect with community, we hope you'll make the leap back to in-person church!

Masks, screening, distancing, and advance registration are required to keep everyone safe; read up on all the policies and procedures, and register your attendance at <http://bethelkingston.com/events>.

Registration opens weekly on Tuesdays; [bookmark the page](#) for easy access!

Kids programs and nursery are not available for a few more weeks, so everyone is welcome in the sanctuary! We hope to have kids programs open in September and/or the overflow room open in the Library.

If you're unable to attend in person, [Church Online](#) will still be available at 10am or you can catch up on [YouTube](#) later in the week.

This Sunday has been set aside as *Every Student Sunday*. Churches coast to coast, including Bethel, are pausing to pray for the next generation of post-secondary students. During our Sunday service we will pray for students using the points below, and we ask that you keep praying throughout the next few weeks! Learn more at <https://p2c.com/students/national-prayer/>

**Students Need Jesus [Matthew 9:36]** • Pray that students...  
...who don't know Jesus will become friends with Christians & encounter Jesus.  
...will experience the life that's found in Jesus.

**Students' Struggles [Psalm 121:1-2]** • Pray that students...  
...will acknowledge their struggles, and seek and find the help they need.  
...struggles will point them to their need for God, and that He will reveal Himself in His goodness  
...identity would be in Christ.

**Mentorship [2 Timothy 2:2]** • Pray that...  
...mentors will have wisdom and energy to pour into youth.  
...youth will be impacted and grow in their faith, while differentiating themselves from their parents in a healthy manner.  
...1st years will find good mentors as they find new church communities.

**New Community [Hebrews 10:24-25]** • Pray for...  
...mentors to make good connections to Christian community.  
...students to find Christian friends and a church community where they can continue to grow and feel safe.  
...a sense of community to be built, even if it's a mix of online and in person.
