

Dear Women of Bethel Church,

Many Christian women feel isolated and long to belong to a group that will help them take their faith to the next level. They are thankful for a girlfriend or a husband and family but they have few strong Christian female friends that they can share life's journey with.

Bethel is launching a new women's ministry called **Bethel Nextlevel Women.**

The purpose is to help the women of our church, from university-aged all the way through retired women, to live the kind of life that Jesus calls them to live and that can only be done in relationship with other godly women.

You are invited to join a women's discipleship group and that first starts with...

LAUNCH: A 10-Session Journey into Relational Christianity for Women

You begin in your Nextlevel Women's group by committing to a 10-session program called LAUNCH. During LAUNCH, you are put into a group of likeminded women and together the group covers topics such as:

- **Connecting:** connecting with God through connecting with other women
- **Community:** creating a safe environment through trust and transparency and spiritual friendships that lead to freedom and healing
- **Accountability:** the power of affirmation, loving connection and tenacious follow-through in spiritual formation
- **Covenant:** personal and group success through high commitment and ensuring relational and spiritual health

After the 10-session LAUNCH program is completed, you can decide if you want to continue with your LAUNCH group, working through the follow-up Nextlevel curriculum covering a variety of topics.

Here's what you can expect to get out of participating in your Bethel Nextlevel Women's group:

1. Puts you in an environment where life-enriching, relational wholeness and prayerful spiritual interaction and formation can take place.
2. Helps you to become more connected to God the Father, Jesus your Lord and God the Holy Spirit...His Word, His will for your life...to make sense of this pilgrimage you are on.
3. Allows you to develop true, powerful relationships with other women, through accountability, encouragement, exhortation and engagement.
